EXPERIENCE

2015 - Present

WEB DESIGNER / JR. FRONT-END DEVELOPER

Kahoots Creative Group | Chicago, IL

Designed, developed and maintained sites for new and existing clients. Built out clean HTML templates on responsive layouts, used pre-processing platform (SASS), performed debugging/testing for cross-browsers and device capability, and used Git workflow for version control.

2011 - 2015

MARKETING ADMINSTRATOR / TEAM LEADER

Mitsui & Co. (USA), Inc. | Chicago, IL

Managed and served as team lead for 14 key domestic and international accounts for Steel division. Held responsibility for maintaining customer satisfaction and overseeing full order and delivery process for accounts.
